Let's Work Together

Dear Friends,

I am writing you with great excitement! As the Founder and CEO of Because of His Grace Ministries, my desire is to inspire others to develop a deep, loving, and intimate relationship with Christ. I believe my purpose - both personally and professionally - is to show each individual how they can experience the abundance that is promised in the Scriptures by simply establishing and cultivating their connection to Yahweh (God).

On April 26 and 27, 2019, I will be working toward fulfilling this mission as I host the second annual Peace in Stormy Weather Women's Retreat. The theme of this year's incredible two-day event is "Staying Anchored through Prayer". Together with my fellow presenters (Rev. Tameaka Reid-Sims, Dr. Heather E. Burton, and Sister Michele Crawford) I plan to show each woman in attendance that the storms we face in life are not meant to make us fearful, anxious, or overwhelmed. Instead, they are meant to teach us that when we let go, surrender our will, and fall into Yahweh's loving arms we will experience the spiritual growth and breakthroughs we desire!

Today I am asking for your support so I may engage as many women as possible in this life-changing experience. It is my sincere hope that we can partner together to strengthen the faith of women in our community, and to elevate and amplify the presence of our organizations in Northeast Ohio and beyond.

About Our Ministry

OUR VISION

The vision of BOHG Ministries is to teach men and women how to create a lifestyle of faith by providing the tools to cultivate a personal relationship with Yahshua (Jesus), and to mature in their faith thereby becoming the church that brings glory to Yahweh our Father.

OUR OFFERINGS

Our 2019 mission is to teach 20,000 individuals by 2020 how to live out their faith every day in their lives. We will accomplish this through small prayer groups, prayer calls, online classes, retreats, in-person monthly Bible study gatherings, and virtually through social media stations and KAZ Radio Network.
