DEAR FRIENDS

I am so grateful to have the chance to share the important work of Because of His Grace Ministries (BOHG) with you. Thank you in advance for taking the time to read this booklet, and for considering this opportunity to invest in this worthwhile organization!

As you may already know, 55% of the people who attend modern-day churches are women. What you may not realize is the vast majority of these women deal with loneliness, despair, joblessness, depression, relationship issues, wayward children, financial concerns, and many, many other issues. Even though they come to church every Sunday, serve faithfully wherever needed, and consider themselves prayer warriors, these women have not FULLY EMBRACED the tools they need to effectively deal with the issues that are keeping them from moving forward in life.

Many of these women profess their dedication to Yahweh (God) and Yahsua (Jesus Christ), but not many grow beyond their initial belief - incorrectly measuring their spiritual growth by the number of years they have attended church, the committees they've served on, or how much money they've given. They falsely believe that by attending church every week, they will somehow develop the spiritual disciplines needed to grow in their faith, seek clear direction on their purpose, and navigate through the challenges of life.

This misunderstanding has unfortunately created a generation of believers who mistakenly view their church's weekly services as their primary investment for developing their spiritual identities. Many of them - without even knowing it - have settled for **doing** church rather than advancing the Kingdom and **becoming** the church.

This is where Because of His Grace Ministries comes in! We teach women the skills they need to develop a **lifestyle** of faith where the truth of Yahweh's Word influences every area of their life, every single day. We show women how to develop a deliberate practice of studying the Holy Scriptures with the intention of understanding how their relationship with Yahweh connects to their core identity and heritage. And we empower women to take the knowledge they gain from our courses and

pass it on to their spouses, children, families, churches, and communities.

In this document you'll find more information on BOHG's offerings, as well as details on our plan to impact as many lives as possible over the next few years. If you have questions please feel free to reach out to me via the contact information provided in this booklet at any time.

I sincerely hope you'll consider supporting us through prayer and financial contributions - we cannot do this important work without YOU!

OFFERINGS

Through her own obedience to the Holy Spirit, our Founder, Natalie Brown Rudd, has sought to fulfill her life's purpose by creating opportunities for other women to experience ongoing spiritual growth and development. Natalie has worked alongside a core group of trusted professionals and advisors who have supported her desire to develop and deliver a multitude of engaging content through various channels.

Below is an overview of just some of the ways that Natalie and BOHG inspire women to create their own lifestyle of faith:

WOMEN'S RETREATS AND IN-PERSON WORKSHOPS

Specialized, curated events creating intimate, small-group dialogue about topics related to spiritual growth and development.

PERSONALIZED COACHING

Life by Design, customized spiritual coaching that helps women create a "life by design" by achieving their personal, professional and spiritual goals.

BI-WEEKLY PRAYER CALLS

Our FREE weekly prayer calls engage women in the study of the Scriptures. Since we believe that prayer is one of the best gifts we can give to others, we also use these calls to share prayer requests, praise reports, inspirational messages, and to encourage each other to live a lifestyle of faith - no matter what is going on in our lives.

WEEKLY SABBATH BIBLE STUDY

This FREE offering brings a small group of women together for an in-depth study of biblical history, as well as the Hebrew language and culture. Participants gain a deeper understanding of the Bible in its original context, which helps them discover ways to apply its lessons in a modern world.

LIFESTYLE OF FAITH ACADEMY

Comprised of three courses (Leap of Faith Master Class, Anchored in Stormy Weather Master Class, and The 5 Keys to Mastering Spiritual Health,) this online learning experience teaches women to create a lifestyle of faith by adopting daily habits like "owning their mornings" (dedicating quiet devotional time,) studying the Scriptures, journaling, praying, and practicing silence so they may receive God's direction on how to put their faith into action.

TESTIMONIALS

The testimonials have been encouraging as we witness the transformation in the lives of the women. Here are just a few things our program participants have to say:

LEAP OF FAITH MASTERCLASS

“The masterclass has helped me grow in ways that I did not imagine. What I expected from the masterclass was turned all the way around....in a new and wonderful direction. I learned to trust in my God, and that I don’t have to have all of the answers nor do I have to fully understand, but as I wait on the Lord the message will be delivered clearer than ever! I’m excited more than ever about my future; career, business, family, friends, and yes, LOVE!! This is my testimony!! I’m filled with joy, strength, and love!! And am ready to take the world on by storm!!”

CHANTEL WILCOX, OHIO

PERSONALIZED COACHING

“The coaching has helped me get still, focused, listening and keeping me positioned at Jesus’s feet!”

TONYA JOHNSON JACKSON, OHIO

WEEKLY PRAYER CALLS

“Wednesday morning is the best morning for me. Why you might ask? I get to sit around the table with my sisters on the phone and talk about God’s Word. Some mornings we may laugh together, cry, just be silent, above all break bread together and pray. I now live in Tennessee; but I tell you I just love my sisters that I have gotten to know by their voices on the phone. At the Table is full of love and great support. I have seen in myself growth in God’s Word and my prayer life has gotten stronger. I love the cross-referencing of God’s Word. And oh my, the wisdom that is brought out by my sisters. When I get off the phone some Wednesday mornings I am so full, I just continue to praise God.”

ANNETTE BAKER, TENNESSE

2. Providing digital and print products to enhance spiritual growth.
3. Creating a virtual body of believers who are growing in their understanding and application of the Word of Yahweh in their lives.

WE INTEND TO REACH THESE GOALS BY IMPLEMENTING THE FOLLOWING TACTICS:

- Developing a communications strategy that focuses on leveraging social media platforms and online marketing campaigns to build a global following for our ministry.
- Creating an online learning portal to provide virtual spiritual development content such as self-guided

and interactive courses, masterclasses, books, workbooks, and other instructional materials.

- Producing a radio program through 1220 AM and 96.9 The Word - a Christian contemporary radio station that serves Greater Cleveland and much of surrounding Northeast Ohio.

To meet this objective we are prayerfully raising a total of \$15,000, which will support our programming and our participants throughout the course of the year.

By donating today you will help BOHG offer our courses at a reduced cost or at no cost to women who couldn't otherwise participate because of financial barriers.

There are two ways to donate. Visit our website at www.becauseofhisgrace.com and click the "Donate" button, or complete the form on the next page of this document and follow the instructions on how to submit your information.
